

Greetings G.I.R.L. Investors!

Girl Scouts of the Green and White Mountains is excited to introduce our partnership with Fidelity Investments! Together, we've created the Fidelity Investments "Let It Grow" Investment Patch Program so that girls can unleash their inner G.I.R.L. (Go-getter, Innovator, Risk-taker, Leader)[™] and make the world a better place.

The Fidelity Investments "Let It Grow" Investment Patch Program introduces Girl Scouts to personal finance and investing concepts. When girls complete the program requirements, they receive a Fidelity Investments "Let It Grow" patch. The program allows girls to grow their financial knowledge from Daisy through Ambassador, with patches customized for each age level. Girls may start earning patch bars at any age level. The bars offered are:

"Fidelity Investments has a long-standing commitment to provide financial education to customers and the community, and the new Girl Scout Investment Patch is a great way to extend this education to young women," said Christina Cuzzi, senior manager of Community Relations for Fidelity Investments. "We are happy to partner with the Girl Scouts of the Green and White Mountains to help their members build a solid foundation in financial literacy, which helps to build life-long financial confidence."

Through our partnership, Girl Scout troops will be given the opportunity to connect with Fidelity Investments volunteers for resources and assistance with any aspect of the patch program. To request a Fidelity Investment volunteer, contact:
