This year's 2023 Fall Product Program provides an opportunity to "Own Your Magic" while learning 5 essential skills.

Benefits of Participating

- Girl Scouts learn and practice the Five Skills: Goal Setting, Decision Making, Money Management, People Skills and Business Ethics, as they earn proceeds for their troop and exciting rewards.
- **NEW!** Troops now earn 20% on all nut and candy items sold, plus \$3 for every magazine sold!
- The Fall Product Program is an excellent way to earn start up proceeds to fund your troop's activities and projects for the coming the year.

How the Fall Product Program Works:

- This program allows Girl Scouts to be entrepreneurs by offering family and friends the opportunity to purchase delicious nuts, chocolates and magazines. There are two ways to participate: take orders in person on an order card, plus create your online store page and share with friends and family for digital sales. You can even accept credit card payments.
- **October 2:** Program begins – Girl Scouts may sell in person and online.
- **October 29:** Last day of order taking with the order card AND deadline to enter the items sold into the system. Last day of online shipped and girl delivery orders.
- **November 16-18:** Nut and chocolate items arrive. Ask your troop leader when to pick up orders.
- **December 1:** Girl Scouts complete delivering orders and turn all payments into the troop.

- From the Dashboard click on "Physical Rewards".
