

Join us for Strategic Learning Update Forums

What is Strategic Learning? Making the best choices on where GSGWM will compete, what we will offer, and how we will succeed by generating greater value than our competitors. The essential job of strategy is to create an intense focus on the few things that matter most.

Winning Proposition is: Girl Scouts of the Green and White Mountains: Where Girls Lead ... Girls Rule!!!

We welcome and inspire girls to have fun, develop friendships and make a difference in their community through our innovative leadership program.

WHO? Any and all currently registered volunteers with the Girl Scouts of the Green and White Mountains.

WHAT? Members of the Strategic Learning team will be traveling to each region to share with Girl Scout volunteers the Strategic Learning process. How we gathered information and arrived at the five Council Strategic Priorities and where we are headed in the future. We will be seeking your input as we close the gaps and arrive at our future state.

WHEN/WHERE? Regional locations and dates are listed below.

WHAT DO I DO? Register on-line by clicking the date below to jump directly to the registration page. Then all that's left is for you to join us that night!

BRING? Your training card
