About GSGWM Day Camps: We offer 7 day camps throughout New Hampshire and Vermont allowing girls to participate in summer programming in the outdoors. Camps allow for flexibility in delivering the Girl Scout Leadership Experience and for girls of a variety of ages and interests to participate. For many girls, camp is the first opportunity they have to experience archery, horseback riding, and science, technology, engineering and math (STEM) programming. Girls will also have the opportunity to participate in traditional camp activities such as crafts, swimming, hiking, singing and cooking over a campfire.

Campers will receive the following programming:

- At least one swim day (on- or off-site)
- Archery for grade 3 and above
- Girl-led programming
- Theme days such as funky hair, backwards, twin day, etc.
- A Journey book to work on
- Optional overnight on the second Thursday of a session
- Family night on the first Wednesday of two-week programs
- Bus transportation to and from camp

Camp ‘n’ More (before and after care) is available for an additional fee from 7 am - 6 pm.
\$65/ 1 week and \$115/ 2 weeks.

About Whispering Pines: Whispering Pines is located on 110 acres of heavily wooded pine forest near Lake Winnepesaukee. Campers connect with new friends, discover the outdoors, and try their hand at new things. Family day will take place on Fridays.

Meet the Director: This is Sue “Twinkie” Berry’s 6th year at Whispering Pines. She has been a counselor at camp, assistant director and this is her 3rd year as Director. She is a middle school teacher, Girl Scout volunteer and a mother. She brings with her Girl Scout values, creative skills and a strong commitment to keeping Whispering Pines a great camp for girls.
