

Troop/Group Sponsorship Agreement

Girl Scouting is linked to the community through the support of local residents. Girl Scouting derives its strength and stability from the involvement of girls and the commitment of adult leaders and community organizations in a neighborhood or town. Troop/Group Sponsorship is a voluntary association on behalf of a group of girls in a community to ensure that all girls regardless of race, creed, national origin, disability or socio-economic factors have an opportunity to participate in Girl Scouting. A sponsorship is based on a written mutual agreement that defines the responsibilities of the Girl Scout council, the sponsor and the troop/group of girls.
