GIRL SCOUTS IS A HOOT!

Step 2: Continued

- Make a poster letting people know that they can Text FRIEND to 59618 to learn more about joining Girl Scouts! Hang it in your window at home, post on your locker or cubby at school, ask your parents to put up a poster at their workplace, or anywhere else other girls might see it!
- Ask your teacher if you can do a 5-minute talk about Girl Scouts. This works for virtual school too! Ask your staff person, and she can give you stickers, bookmarks or fun activity sheets to give out to your class. If you have virtual school, we could even give you a video to share!
- Bring a friend with you to a Girl Scout event, like one of our Family Game Nights online or in your community! See a list of opportunities at girlscoutsgwm.org/youreinvited.
- Write an article about what you love about Girl Scouts and how to join for a school or community newspaper.
- Sing Make New Friends with new friends! Teach this timeless Girl Scout song to some pals
- Promote Girl Scouts at your place of worship. Ask if you can put up a poster or yard sign, speak during the announcements, put info in the bulletin, etc.
- Host your own online get-to-know Girl Scouts party! Invite some friends and teach them some games, songs, crafts, or skills you learned in Girl Scouts!
- Are you in dance, sports, or another activity? Share Girl Scout information at your center.
- Make your own skit, song or commercial about why being a Girl Scout is awesome! Share it with friends and family or ask your parents to share it on their social media!
- Have another idea about how to get the word out? Get creative and make up your own activity!
