COUNCIL POLICIES & PROCEDURES FOR VOLUNTEERS

Policies Last Approved: Jan. 24, 2019 Board of Directors

Effective: Jan. 24, 2019

Procedures Last Revised: Feb. 15, 2019 Effective: Mar. 1, 2019

- The following Council Policies & Procedures for Volunteers are in place for the safety and protection of our girl members and adult volunteers.
- Unless otherwise noted, “adult” is someone who is at least 18 years of age, not in high school **and** not registered as a girl member of the organization.
- “Groups” is used throughout this document to refer to communities, districts, and any pathway within Girl Scouting.

Safety Activity Checkpoints – Girl Scouts of the Green and White Mountains (“GSGWM” or “Council”) recognizes Girl Scouts of the USA (GSUSA) *Safety Activity Checkpoints* and all its content as establishing essential risk management standards by which Girl Scouting will operate in the Council. GSGWM may choose to make revisions and updates to the *Safety Activity Checkpoints* that are relevant to the New Hampshire and Vermont area we serve and develop policies and procedures that are in line with the risk management provided by GSUSA.

IMPACT OF POLICY

Policy: These policies or the procedures relating to volunteers shall not be construed to constitute a contract of appointment, nor vest any rights of continued appointment to any volunteer.

The volunteer position is an at-will relationship with GSGWM. A volunteer is free to resign at any time and for any reason. The Council may also terminate the volunteer’s appointment at any time and for any reason.

The volunteer personnel policies are subject to change at the discretion of the Board of Directors of the Council.

MEMBERSHIP

Policy: All girls and adults participating in the Girl Scout Movement shall be registered as members of GSUSA and pay annual or lifetime membership dues. All members agree to abide by the policies and principles of GSUSA and GSGWM.

Procedure: *Financial assistance is available dependent upon financial need, and forms can be requested through the Bedford Service Center.*

All girls and adults who participate in GSGWM Council programs excluding family events will be required to register as members.

VOLUNTEER SELECTION

Policy: Only those adults who have successfully completed a background check and who register as members of Girl Scouts of the USA shall be appointed to volunteer positions. Volunteers appointed in these positions must also complete the appropriate training.

In accordance with our procedures, certain positions require additional information and interviews by an authorized adult in Girl Scouting before they are placed in a volunteer position. Each operational volunteer position will have a written position description that defines specific responsibilities, clarifies expectations, and, in conjunction with performance goals, forms the basis for assessment of volunteer performance, reappointment, rotation to another position, and termination.

Every attempt shall be made to place volunteers in positions that meet both their needs and the needs of the Council. In instances where this is not possible, the needs of the Council shall take precedence over the needs of the individual. Individuals not placed in a position for which they applied may be recommended for other positions.

Policy volunteers are appointed or elected to their positions. Board of Directors, Governance Committee and National Delegate members are screened and interviewed by the Governance Committee prior to election.

An applicant convicted of a crime against a child will not be considered for a volunteer position with GSGWM. An applicant convicted of a misdemeanor or felony may be asked to complete a special review process.

Parents and other adults as described below are not considered volunteers if they meet all the requirements under either of the below:

An individual who:

- Serves as an advisor or consultant, i.e. a speaker or presenter.
- Is never left alone with girl(s),
- Is under the supervision of a trained volunteer,
- Is not counted when considering girl/adult ratio.

A parent or guardian who:

- Is never left alone with girl(s),
- Is under the supervision of a trained volunteer,
- Is not counted when considering girl/adult ratio.

If the group meeting or activity is being held in a private residence all persons 18 years of age or older, who reside at that residence, must successfully complete a criminal background check prior to the first meeting.

Procedure For most volunteer positions, the volunteer process prior to appointment requires selecting your preferred volunteer role, registering as a Girl Scout member, completing and passing the criminal background check and completing the required training for the chosen role within the specified time frame.

Adults whose background checks indicate they have been convicted of a misdemeanor or felony will be notified of such and will have the opportunity to submit a written request for review, including a letter of explanation. The letter should include details, dates and circumstances of any misdemeanor or felony. The request for review should be marked “attention Customer Care” and sent within two weeks of receiving the notification letter. Adults will be informed, in writing, of the status of their review at the end of the review process.

Successful background checks will be valid for five (5) consecutive membership years. A membership year is defined as October 1 through September 30.

Non-Discrimination

Policy: There shall be no discrimination against an otherwise qualified adult volunteer by reason of disability or on the basis of age. Furthermore, there shall be no discrimination on the basis of race, color, ethnicity, gender, creed, national origin, sexual orientation, gender identity, veteran status or socioeconomic status. In addition, to ensure full equality of opportunity in all operations and activities of the organization, affirmative action policies and procedures shall be utilized in the recruitment, selection, training, placement and recognition of volunteers. Special emphasis shall be placed upon securing representation of under-represented minority populations.

GSGWM does not discriminate, but does not endorse any particular lifestyle. We have firm standards relating to appropriate conduct. We do not permit sexual display of any sort by our members. We do not permit the advocacy or promotion of a personal lifestyle or sexual orientation. These are private matters for girls and their families to address. Girl Scout volunteers and staff must, at all times, serve as appropriate role models for girls.

Conflict of Interest

Definition: A conflict of interest exists when the interests or concerns of any volunteer, any member of their family, or party, group or organization in which the volunteer is actively involved may be seen as competing with or actually conflicts with the interests or concerns of GSGWM.

Policy: No individual connected with GSGWM shall use her/his affiliation with the Council for personal or family gain, for benefit of another individual or organization of which a member is affiliated or for personal, professional, political or monetary gain without proper disclosure and council consent.

Volunteers may not serve on the Council's Board of Directors if they are serving as operational volunteers.

Harassment

Policy: The Council is committed to an environment and climate in which relationships are characterized by dignity, respect, courtesy, and equitable treatment. It is the policy of the organization to provide all volunteers with an environment free from all forms of unlawful or unwelcome harassment, including implied or expressed forms of sexual harassment.

Procedure: *The Council expressly prohibits any form of harassment on the basis of race, color, ethnicity, religion, creed, sex, age, national origin, sexual orientation, gender identity, disability or socio-economic status. Any volunteer who feels that she/he has been subjected to harassment whether by another volunteer/Council staff member, or any agent of the organization, should promptly report the incident to a supervisor or to the Chief Executive Officer (CEO). The supervisor, upon receiving such a complaint, must report the matter to the CEO. The CEO shall take appropriate measures to resolve or correct the situation in an expeditious manner.*

The Council reserves the right to refuse membership or reappointment, and to dismiss or suspend from affiliation with the Council any volunteer who, in conducting Girl Scout program, advocates, solicits, or promotes a personal lifestyle or sexual orientation so as to create a substantial risk that such conduct will be detrimental to the proper role model for girl members.

Hostility

Definition: Hostility under this policy is considered to include physical violence as well as harassment, intimidation, stalking, coercion, display of weapons, threats, and talking or joking about hostility whether in person or through some other means of communications such as writing, telephone, voice mail, or electronic mail.

Policy: GSGWM strictly prohibits hostility in any form against girl members, adult volunteers, staff members, visitors or anyone else having some involvement with the Council.

Conflict/Grievance Resolution

Definition: A “conflict” is defined as any kind of disagreement between two or more volunteers and/or parents.

A “grievance” is defined as a dispute over the interpretation or application of a Council policy, practice or procedure OR a disagreement between one or more volunteers and an employed staff person.

Policy: All volunteers shall have the opportunity to present their concerns and work to resolve the issues in a timely manner using the Council’s conflict resolution procedures.

Procedure: *Volunteers are first expected to discuss concerns with the individuals involved when a grievance or conflict arises. A problem-solving tone should be adopted during these discussions. If this does not resolve the issue then:*

The parties should jointly discuss the situation with their Volunteer Support Coordinator and/or staff for support and guidance. If this does not resolve the issue, then:

Each party involved in the conflict or grievance will fill out an “Incident Report” and submit it to their Volunteer Support Coordinator, unless the conflict is with the Volunteer Support Coordinator, in which case the report is submitted to the Council office. Please contact Customer Care customercare@girlscoutsgwm.org to be put in touch with the next level of supervision.

Council staff will review and research all incident reports. The Council staff will then provide a resolution plan. If one or more parties are not in agreement with the resolution plan then the party(s) may, within 10 working days of the meeting held to resolve the conflict/grievance, submit to the next level of supervision¹ a request, in writing, to continue the conflict/grievance process. The request should include the results of the first attempt at resolution, including dates, times, people involved, proposed resolution and explanation of why the proposed resolution is not acceptable.

The next level of supervision will respond to the request within 10 working days of receipt of the request to offer direction. If the issue is not resolved, the volunteer with the conflict/grievance may, within 10 working days of the meeting held to resolve the conflict/grievance, submit a request in writing to the next level of supervision to continue the conflict/grievance process. The request should include the results of the prior attempts at resolution, including dates, times, people involved, proposed resolution and explanation of why the proposed resolution is not acceptable.

The next level of supervision, will respond to the request within 10 working days of receipt of the request to offer direction and resolution. If the issue is not resolved, the volunteer with the conflict/grievance may, within five (5) working days of the meeting held to resolve the conflict/grievance submit to the CEO, or designee, a request in writing to continue the conflict/grievance process. The request should include the results of the prior attempts at resolution, including dates, times, people involved, proposed resolution and explanation of why the proposed resolution does not resolve the conflict/ grievance. The CEO, or designee, will respond to the request within 10 working days of receipt of the request and, will make a final binding decision.

Indemnification and Liability Insurance

Policy: GSGWM's indemnification and liability insurance coverage will be extended to volunteers who are acting within the scope of their appointed position within GSGWM, are complying with all parts of these policies and complying with all standards and checkpoints identified in Safety Activity Checkpoints.

Adult Development

Policy: GSGWM promotes adult development to ensure high quality programs for girls while providing opportunities for personal development for adults.

Adult Learning

Definition: GSGWM defines "**direct service**" volunteers as those volunteers who facilitate the delivery of the Girl Scout Leadership Experience from a variety of volunteer positions (e.g., leaders, event chaperones, drivers, and program administrators.)

For all troop activities, two non-related Troop Leaders are required, including one woman. Additional adults, as required by adult ratios outlined in the applicable Safety Activity Checkpoints or Volunteer Essentials, must follow the requirements outline for Troop Helper/Chaperone (Refer to chart on page 9). For new troops, two troops leaders must complete the required training with the guidelines put forth in the Adult Training chart on page 9. Additional Council-specific training is available to any volunteer.

The minimum standards outlined in Safety Activity Checkpoints regarding what specialized courses are required before undertaking certain activities will be followed. GSGWM has additional standards, including courses and certifications outlined in Volunteer Essentials that are required for higher risk activities.

GSGWM recognizes there may be people qualified and eager to volunteer in Girl Scouts but whose economic situations do not allow them to cover training expenses. Individuals who may need financial assistance are encouraged to consult privately

and in confidence with GSGWM to determine whether GSGWM is able to assist them with some or all of the adult development expenses necessary to fulfill the volunteer role. Contact customercare@girlscoutsgwm.org for more information.

Participants need to register for all courses. A course may be cancelled if fewer than the minimum participants have registered by the deadline date. Registrations will be accepted on a first come, first served basis. If there is a fee for the course, it is to be included with the registration. Incomplete registrations will not be accepted. Only participants registered by the deadline will receive a confirmation letter.

Failure to take required courses may result in dismissal from the position or not being re-appointed.

Participants need to be present for the entire course in order to receive credit for attending the course.

Volunteers transferring from other Girl Scout councils who have documentation of prior experience or training may request a waiver from required council adult development courses. Contact customercare@girlscoutsgwm.org for additional information.

Procedure: *When the parent/guardian or approved adult, who arrives to drive a girl home, shows signs of being impaired; the following guidelines will be followed:*

1. *Assess the situation to the best of your ability to determine if the driver is impaired. Note the license plate number, the make and model of the driver’s vehicle.*
2. *Determine that this driver is the person who is supposed to transport the child (either a parent, legal guardian, or a person who has written permission from the parent or legal guardian.)*
3. *Ask another adult volunteer to assess the situation too.*
4. *Away from the girls, discuss with the driver your concern about her/his ability to transport the child safely. Speak with the driver about the signs you observed in a calm voice. Try to determine if there is a reasonable explanation as to why the adult appears impaired. Ask if there is someone else at home who could come to drive the girl home.*
5. *If she/he is uncooperative, have your troop co-leader or other volunteer assistant call the girl’s home or emergency contact to find another driver.*
6. *If you cannot reach another parent or emergency contact and you suspect that the driver is impaired, you or your troop co-leader or other volunteer assistant should call the local police, express your concern, and seek their advice and assistance. It is important to remain calm, to use good judgment, to be firm but non-confrontational.*
7. *When the situation is under control, call GSGWM Customer Care (1-888-474-9686) during the business hours of 8:30am to 5:00pm to report the incident, the action taken, and the result. If the situation occurs outside of our normal business hours call (603) 716-6149 once the situation is under control. (Refer to Crisis Communications sheet for details)*

FINANCE POLICIES

Policy: Troop and Geographic Unit Banking

Troop and Geographic Unit funds must be held in a designated Girl Scout bank account in a Council-approved FDIC insured bank or NCUA-insured credit union. Accounts are required to have a minimum of three registered, non-related adults as signers. Troops and Geographic Units may have a debit card, but may not have any type of electronic card that incurs debt in the troop's name. Troop and Geographic Unit bank accounts are never to be used for personal transactions.

Procedure: All bank accounts must be opened with the following Account Name: Girl Scouts of the Green and White Mountains – Troop #or Community/District #. Use Tax ID #02-0243160.

Signers shall include three registered, non-related adult Girl Scouts. Troop bank accounts should contain a minimum of two signers from troop volunteers. The Community Accounting Coordinator (CAC) must be the third authorized signer. If the CAC position is vacant contact GSGWM Customer Care at customercare@girlscoutsgwm.org or 1-888-474-9686.

Random audits of Troop and Geographic Unit bank accounts will be conducted each year by GSGWM's Finance Staff. Selected Troops and Geographic Units will be required to provide bank account statements with corresponding receipts, check registers and/or Detailed Cash Record forms within 30 days from request notice. Failure to comply with this request may result in appropriate Council action including, but not limited to, staff oversight, termination of the volunteer position and/or restrictions on further Troop or Geographic Unit activities.

Troops and Geographic Units must comply with operational guidelines relative to the accounts and their funds. All monies raised and earned in the name of Girl Scouts belong to the Council and not to individuals, Troops or Geographic Units.

Policy: Financial Responsibility, Financial Reporting and Troop/Group Treasury

- It is the responsibility of the adult leadership of each Girl Scout troop/group to see that any monies, earned or received by the troop/group, never become the property of individual members (girls or adults).
- At no time is the troop/group treasury to be used for activities that are not Girl Scout related.
- Financial Information should be readily available to be shared at any time, and by the request of any parent, Community Accounting Coordinator, or member of the Council staff.
- An up-to-date, current Bank Account Information form must be kept on file at the Council headquarters.

Policy: Dividing, Merging or Bridging Troop Accounts

All money raised and earned by a Troop/Group based entity or geographic unit constitutes their treasury. Money in the treasury never becomes the property of an individual member (girl or adult). When a troop divides, merges or bridges, the Troop/Group based entity (girls and adults) should discuss the distribution of funds in accordance with Council procedures.

Procedure: *When a troop divides, merges or bridges, the Council office (customercare@girlscoutsgwm.org) must be notified within 30 days of the last meeting.*

Dividing Troops - *If the troop is dividing into two or more troops, the funds should be prorated between the new troops.*

Example: There are currently ten girls in the troop with \$1,000 in the troop account. Two girls are going to troop A, and eight girls are going to troop B. The \$1,000 is divided by 10 to equal \$100 per girl. \$200 goes to troop A and \$800 goes to troop B. If any girls are not continuing, the troop funds are divided according to the number of girls that are remaining within Girl Scouting and disbursed to the new troops accordingly. At no time should the funds be considered on an individual basis nor distributed to the girls. Remember troop funds are considered assets of the troop or council and do not follow individual girls who leave the troop.

Merging Troops - *If two or more troops are merging to form one troop, it is suggested that at that same time, troop funds are also merged into one checking account.*

Bridging Troops - *If the troop is bridging and will be using a new troop number, the number must be changed on the account, or the account should be closed and reopened with the new troop number.*

Policy: Lapsed Troop Treasuries

If a troop does not re-register for the subsequent membership period, the troop account will be held in a Lapsed Troop Account, within Girl Scouts of the Green and White Mountains, for a period of one membership year. Should the troop re-register within that one membership year, the account funds will be returned in full to the troop. Should the troop not re-register within that one year, the funds will be transferred to the GSGWM Girl Assistance Fund.

Procedure: *Disbanding Troops – If the troop is disbanding contact your Community Accounting Coordinator or Council at customercare@girlscoutsgwm.org or 1-888-474-9686 for procedures on disbursing remaining funds, closing the bank account and completing necessary documentation.*

Policy: Delinquent Accounts and Bad Debts

Any debts incurred by a girl member are the responsibility of the adult parent or guardian. Any debts incurred by a troop or geographical unit are the responsibility of the adult volunteer and if deemed inappropriate or not paid in a timely fashion can result in dismissal from the volunteer position.

Any sums due to Girl Scouts of the Green and White Mountains shall be deemed delinquent if not paid within 45 days after billing or other notice. The Council has the right to initiate collection procedures on all delinquent accounts by use of a collection agency, the Council's attorney, county prosecuting attorney, or other agent.

Procedure: Volunteer Delinquent Accounts and Bad Debt

Any volunteer may be removed from all volunteer positions if she/he has:

- *Knowingly written a personal or troop check with insufficient funds (NSF) or on a closed account to Girl Scouts of the Green and White Mountains or to anyone else on behalf of a Girl Scout troop/group.*
- *Failed to pay an outstanding debt to GSGWM or any of its units, whether the debt is for a personal expense, a Girl Scout product program, or a troop expense.*
- *Misused troop, group or geographic area funds.*
- *Failed to remit all funds due to GSGWM or any of its units.*
- *Failed to submit appropriate troop, special event, or geographic area assets to the council or to the local Volunteer Management team, as applicable (i.e. closing out a troop)*

In some circumstances, reinstatement to a volunteer position may be considered through an appeal process. The appeal process begins with the volunteer making a formal request in writing to the Council office at customercare@girlscoutsgwm.org, but only after complete restitution has been made. The council reserves the right to implement certain measures such as reappointment may only be made if someone other than the volunteer in question will be responsible for the troop funds.

Procedure: Troop/Group Delinquent Accounts and Bad Debt

In the event GSGWM receives notification from a debt collector or bank indicating that a troop/group has written checks against a negative account balance:

- *GSGWM will pay the outstanding debt to the collector*
- *The Finance Department will write a notification letter to the Troop Leader or Lead Series Advisor regarding the situation and will copy the appropriate Community Accounting Coordinator and staff supervisor.*
- *The Community Accounting Coordinator will contact the Troop Leader or Lead Series Advisor to discuss the problem and to collect the checkbook and debit cards.*

- *The Community Accounting Coordinator will submit a report to the Council office (customer@girlscoutsgwm.org) summarizing their meeting with the Troop Leader or Lead Series Advisor.*
- *The Troop/Group Leader responsible for the debt will be placed on the Council's delinquent list and will be removed as a signer on the bank account.*

Procedure: *Returned Checks*

In the event a Troop/Group based entity's check is returned to the Council due to insufficient funds or a closed account, the Finance Department will contact the signer on the check to resolve the situation. Additional financial mismanagement will be handled in accordance with the remaining Delinquent Accounts and Bad Debt Procedures.

Policy: Geographic Unit Money Earning

Definition: A Geographic Unit is a Community, District or Service Unit entity.

A Geographic Unit may request to hold one money-earning project each membership year, for the purpose of generating funds to be used during the membership year. Funds in excess of \$1,000.00 will be donated to the GSGWM Girl Assistance Funds at the end of the membership year. The Chief Executive Officer may grant exceptions in unusual circumstances.

Policy: Geographic Unit Contributions

Any designated donation monies received from a foundation, corporation, government entity, or individual (including recognition of volunteer service hours) received on behalf of a Girl Scouts of the Green and White Mountains geographic unit will be accepted and recognized by Girl Scouts of the Green and White Mountains. Gifts, grants, or other monetary support to GSGWM, generated as a result of actions or requests from volunteers, may be directed to the volunteers' community, a GSGWM event, or their troop when requested in writing and with the approval of GSGWM management. Such requests, if approved, will be distributed less 10% or a maximum of \$25, to address the costs of processing. Donations in excess of \$1,000 will be handled on an individual basis.

Volunteer Expense Reimbursement:

Policy: Girl Scouts of the Green and White Mountains shall reimburse volunteers for certain pre-authorized expenses incurred in their required Girl Scout work.

Procedure: *Volunteers must receive pre-approval from their staff supervisor for the expense. The expense must be within the parameters of the volunteer's job description. Once the expense is approved, the staff supervisor shall provide the volunteer with an Expense Reimbursement form. The Expense Reimbursement form must be completed and submitted, along with receipts for the expenses, to the staff supervisor for processing.*
