Contact us at CustomerCare@girlscoutsgwm.org or 888-474-9686 and we can help you find your best fit. You can check out the options online, too, at www.girlscoutsgwm.org/camp.

What's a day at Girl Scout summer camp like?

It's friends, fresh air, and fun! Campers get to know each other right away with games and songs, settling into appropriate age groups in units you'll call home for the week. Store your camp gear at your home base and get ready for a day of fun. There are picnic tables and a campfire setup at each unit with bathroom facilities and lodge nearby.

Campers start the day with a flag ceremony and songs. Counselors will guide your group through the choices for the day—swim first or play games? Cook over a campfire or go for a nature hike? Girl Scouts get to choose!

Each week has a theme that makes activities feel special, but you'll always get to do arts and crafts; challenge yourself with archery, slingshots, Airsoft rifles, or hatchets (depending on age!); climb a bouldering wall or navigate a rope spider; play a few rounds of gaga ball; go swimming or boating at Kettleford or Farnsworth; play field games; and generally just enjoy playing with friends. And don't forget snacks! Everyone comes together for all-camp activities, a chance to see all your friends. Trained staff will make sure you have a great time while staying safe.
