New to Girl Scouts or just interested in Girl Scout Camp? Once you find a program you are interested in, you will be able to purchase your Girl Scout membership at the same time as registering for camp. While membership is required, you do not have to participate in a troop to enjoy camp and programs.

Additional \$15 fee applies per program for out-of-council Girl Scouts.

## Deposits

A \$100 non-refundable deposit per program is required at the time of registration.

Once the deposit is paid and your camper is registered, you can log back into your account at any time to see your balance due and make payments. **All balances are due by June 1 for programs starting in June and July or July 1 for programs starting in August.** Families with outstanding balances after the balance due date may lose their spot at camp. Campers will not be permitted to attend camp if there is a balance due for any session.

## Financial Assistance (Campership)

Camperships are available for up to one-half the cost of one summer camp program for qualifying campers who are members of the Girl Scouts and the Green and White Mountains council. You may apply for financial assistance for camp until May 15.

Under included items, select "apply for financial aid," then proceed to check out and pay the deposit with a credit card. Once registered, you will receive an email to complete the application form for financial aid consideration.
