March 5- 11, 2027 New York, NY

Each year, GSUSA joins over 5,000 women and girls from around the world at the United Nations headquarters in New York to participate in the Commission on the Status of Women ("CSW"). CSW is a commission of the UN, dedicated exclusively to gender equality and advancement of women. National representatives of Member States gather for a two-week session to evaluate progress on gender equality, identify challenges, set global standards and formulate concrete policies to promote gender equality and the advancement of women worldwide.

As non-governmental organization ("NGO") Consultative members, Girl Scouts of the USA and the World Association of Girl Guides/Girl Scouts (WAGGGS) participate to bring girls and young women to the global stage.

Girl Scouts of the Green and White Mountains is seeking applications from girls interested in serving as CSW delegates during the first week of the session, March 8 – 11, 2027. Delegates will participate in GSUSA's global advocacy, learn about global issues and how global organizations function, and raise their voices on global issues impacting girls and young women.
