

Rallyhood Champion Patch

Girl Scouts of the Green and White Mountains

Serving Vermont and New Hampshire

The Rallyhood Champion patch program is designed to be earned by Girl Scout adult members and encourage the use of our communication platform, Rallyhood.

To earn this patch, Girl Scout adult members must complete the three required activities and at least two of the other steps.

Required steps:

Be a member of the Council-Wide Hub

Join our [Council-Wide Hub](#) to stay updated on all things Girl Scouts! We post Girl Scout programs, upcoming events, important news, and much more. Encourage others to join as well as to connect with the council.

Interact with at least five posts

Show your support or share your thoughts by liking and/or commenting on at least five posts in Rallyhood with at least one being in a post on the Council-Wide Hub.

Post photos in the Share Your Stories Rally

Did your troop do a fun activity? Had a fun adventure? We want to see it! Post at least two photos in the [Share Your Stories rally](#) and tell us a little about the adventure in the comment section of the photo.

Pick at least three of the following to complete:

Invite a member to a troop or council rally

Are you a troop leader? Make sure to invite your families to join your troop rally! You can also invite a caregiver or other volunteer to a council rally. These rallies can be found under the Council-Wide Hub by clicking “Rallies” in the navigation menu. Encourage a fellow troop member to join a relevant rally.

Help someone else learn how to use Rallyhood

Show off your Rallyhood Champion pride by helping a fellow Girl Scout or caregiver learn how to use Rallyhood. You can invite them to a rally and show them where they can find important information.

Post on the message wall of your troop or a council rally twice

Let's drum up some engagement! Post a helpful tip, a fun activity, or something else on the message wall of a troop rally or a council rally. Create two posts for this step.

Create a sign-up or event for your troop

Use the "sign-ups" tab on the navigation bar to create a new sign-up for your troop. Need snacks for your next meeting? Hosting a troop potluck? Need to ask a poll question? You can also create a special event for a troop meeting, a troop outing, or any other important date your troop should know.

Create a new folder in a troop rally's Gallery tab

Share photos with members of your troop! Create a new folder to share photos from a troop meeting or troop adventure. Share at least three photos in the folder for this step.
