

Girl Scout Cookies

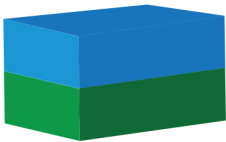

\$6/package

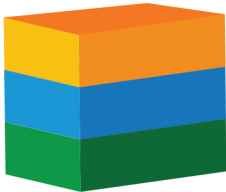

Multiply the number of packages your customer wants to buy by 6. Here is a handy guide:

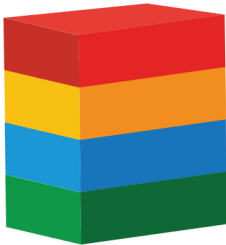

1 - \$6

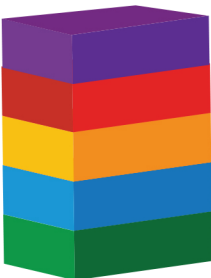

2 - \$12

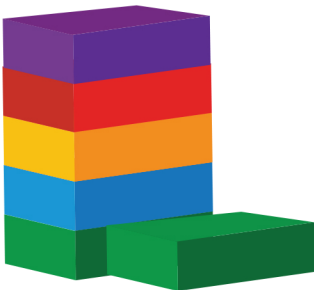

3 - \$18

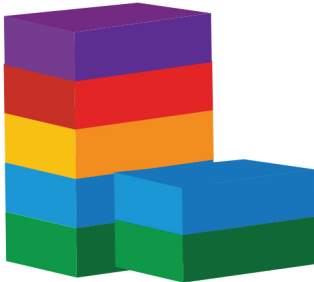

4 - \$24

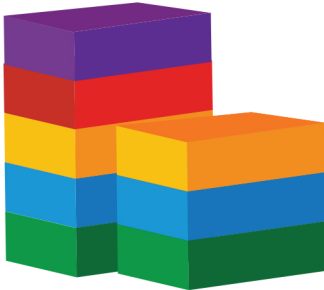

5 - \$30

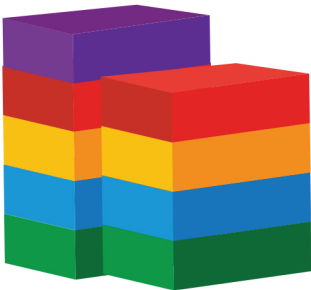

6 - \$36

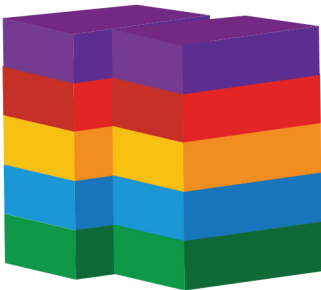

7 - \$42

8 - \$48

9 - \$54

10 - \$60

Making Change:

1: Take the amount the customer gives you	2: Subtract the amount they owe for cookies	3: The answer is how much change to give them
\$10	\$6	\$4
\$20	\$6	\$14
\$20	\$12	\$8
\$20	\$18	\$2
\$40	\$24	\$16
\$40	\$36	\$4
