How to get started in the Fall Product Program!

Before the program begins

- All Girl Scouts and volunteers must be registered for the 2025-2026 membership year.
- Attend a program training with your service unit.
- Discuss as a troop what activities you'd like to do this year and the funds your troop will need to do them. Discuss if the troop would like to opt out of rewards for an additional ten cents per item in troop proceeds (if so, select this option on your troop dashboard before October 27).
- Share with families the troop's goals, and how families can help.
- Your troop dashboard has helpful reports. You can also send messages to your troop with reminders, updates, and kudos. Assist entering orders, if needed, between October 10-October 27.

More products available!

Girl Scouts will have additional products to offer their customer on their paper order card and online for girl delivery. More products means a wider selection of items to be girl delivered.

New Lower Price - Care to Share - \$5

Customers may want to support your Girl Scouts in more ways than purchasing products for themselves. All **\$5** Care to Share donations will provide sweet treats to our active U.S. military personnel through Operation Gratitude.

Easy for Girl Scouts and families

Families will receive an email on October 1. Their Girl Scout can log in, confirm their troop number, then create a password. If they missed the email, they can simply log in to **gsnutsandmags.com/gsgwm** and follow the on-screen prompts.

Girl Scouts and families will enter all in-person orders directly into their site. They click on Manage Paper Orders, enter the total number of in-person units for each product item. Click Update. *All online orders will be added automatically.* There is no final submit button.
