Gift of Caring

In the 2026 Girl Scout Cookie program, Girl Scouts of the Green and White Mountains contributed over **26,000 packages of cookies** to our Gift of Caring program.

Girl Scouts may find some of their customers wish to support their troop's activities, but do not wish to purchase cookies for themselves. Our Gift of Caring program allows customers to purchase packages for donation, then Girl Scouts choose local people in their communities whom they wish to thank for their service or support with these donated cookies.

Whether purchased online or in person, all donations are distributed within our council's footprint. These include military, police or fire, food banks, postal workers, hospitals, Red Cross, and more. Girl Scouts are credited for these purchases and troops receive troop proceeds as well.

This philanthropy gives our Girl Scouts an understanding of the dedication from individuals and groups who maintain and sustain our communities.
