Summer 2026

## What a year – let's celebrate!

When you summon the courage to introduce yourself to a new person, when you climb higher than expected on a rock wall, or when you make the effort to improve your community, you are finding what's within you to be your authentic, powerful self. Every girl deserves a place where she can grow on her own terms and discover who she's meant to be.

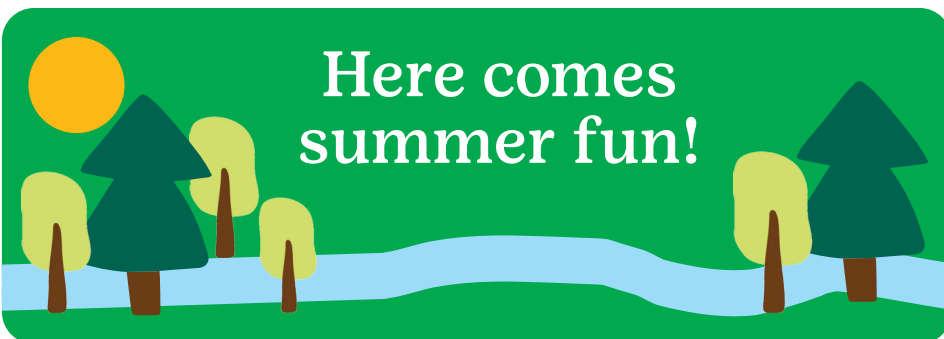

Girl Scouts like you are looking forward to summer camp and possibly bridging to a new Girl Scout level – it's an exciting time of year! Now is the time to renew your membership for next fall, pack up your camp gear, and dream about what the future holds. Together, we'll help you discover what's already within you in a space where you can be yourself, exactly as you are.

Bridging is a beloved Girl Scout tradition that honors your achievements through the year and celebrates "crossing the bridge" to the next Girl Scout level. As you "fly up" from Brownie to Junior or cross to any other level, know that your family, friends, and this council are all proud of all you've achieved.

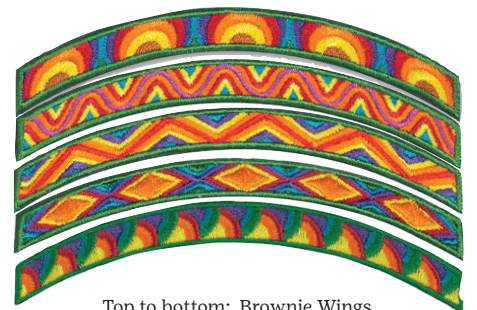

For now, you get to look ahead to summer and all the promise it holds. Maybe you're looking forward to getting together with friends you made at summer camp last year. You and your family may be considering your first family camping trip. Nature is calling and it's time to answer. Pack your snacks, grab your friends, and make this summer unforgettable with the Girl Scouts Love the Outdoors Challenge. Score your limited-edition patch.

It's also the U.S.A.'s semiquincentennial! That's a big word for 250th anniversary of the signing of the Declaration of Independence. We encourage Girl Scouts to be visible in their Girl Scout gear or uniforms at Fourth of July celebrations. You can also earn a five-patch set commemorating our country's big birthday by downloading the activity guide at <https://bit.ly/GSAmerica250>.

So here's to a great summer!

Girl Scout Leah participated in our Magical Baking virtual classes, making cream puffs and whoopie pies.

Our Girl Scout Troop 63776 shines brightest when we're together. Whether we're cleaning local trails, prepping our annual community garden, planting zinnia seeds in the park, or heading out on a hike. Serving our town side by side is one of our favorite parts of being Girl Scouts.

"I love how in Girl Scouts, everyone is nice to you. School is sometimes hard for me with the kids in my class, but when I get to Girl Scouts, I always get excited. I have made so many new friends and we also get to hang out and go to birthday sleepovers. I also made friends at Twin Hills summer camp! I also get to do a lot of neat things I haven't done before like horseback riding, ice skating, controlling a corn maze and bowling! I am grateful for having Girl Scouts in my life."

- Lilly Learned, Troop 63738
