There is more inside the box
than just cookies!

Get ready to Unbox the Future with the Girl Scout Cookie program! While the world keeps trying to put girls in a box of arts and crafts and sugar and spice, you are focused on a box that can change the world. Take a closer look at any box of Girl Scout Cookies and you'll see that it's more than a package with delicious treats inside – it's actually a building block for possibilities outside. Possibilities like taking a single box of cookies and seeing what happens when it's put into the hands of

a group of Girl Scouts. Confidence, money skills, and friendships happen! A movement that built pollinator gardens in New Hampshire and helped students in Vermont get active happens.

Girl Scout Cookies power your goals and activities, giving you the funding to take action in your community, travel, go to summer camp, learn to code – whatever you decide! Along the way, you can become a cookie entrepreneur – that's a business boss! You'll become skilled at money management, people skills, setting goals, making decisions, and business ethics. Remember, you can participate by having a cookie booth with your troop or guardian!

Our theme this year is Embrace Possibility, and that means the sky's the limit! Possibilities include earning a special reward or working toward enough proceeds to fund a trip to a foreign country. Your troop can brainstorm a fun day out at a science museum or have a movie and pizza night. What are the possibilities in your imagination?

Get started by taking cookie orders right now! Involve your family so they can help, too. They can even earn the Cookie Entrepreneur Family pin. You can sell in person at a cookie booth or online through your own Digital Cookie website. We'd love to hear from you about your cookie goals and your creative ways to persuade customers to buy our delicious treats. Each package is a step toward building skills, friendships, and incredible futures!

Cookie Entrepreneur Family pin

Earn the Cookie Entrepreneur Family pin by completing the corresponding activity sheet, each activity sheet is designed to help you support your Girl Scout, giving you tips for your cookie entrepreneur.

You can download the Cookie Entrepreneur Family pin activity sheets using the QR code above, and work on these at home together.

Ways to support your Cookie Entrepreneur

- Help them earn the Cookie Entrepreneur Family pin to practice building their skills at home.
- Help them set up their Digital Cookie site.
- Help them keep money safe.
- Know the rules and safety guidelines.
- Model business ethics, decision making, people skills, and safety as you support them.
- Ask your troop leader how you can help the whole troop reach its goals. Your Girl Scout will learn to be a helper and take action by watching you.
- Help them make arrangements to connect with people in their network.
- Never do things for your Girl Scout that they can do for themselves, even if it's quicker and easier for you to do them.
- Have fun together along the way and engage your whole family in supporting them!

Girl Scout Program Credits

Did you know that Girl Scouts that sell 285 or more packages of cookies are eligible to earn Program Credits that can be used to power incredible Girl Scout experiences? Check your Order Card for more details. Your Program Credits can be used towards:

- An incredible summer camp experience! Camp registration is open – visit our website for more details. You can put your Program Credits towards your deposit or balance later this spring.
- Exciting program events like ninja gym, badge blasts, and virtual classes! Visit our website for a calendar of events which is updated weekly. You can attend with a parent or guardian or your troop.
- Uniform components, fun gifts, and other purchases in our Mountain Top Shops or online. Visit our website for details on how to use your credits through our different retail platforms.

Participating in the Girl Scout Cookie program is fun – and rewarding! Rewards will add up as you sell more cookies. For example, if you sell 365 packages, you will have earned \$90 in Program Credits PLUS next year's Girl Scout membership, Bar Patch, Water Bottle, Panda Plush, and a cute Panda T-shirt. That's in addition to anything you may have earned in the Initial Order. As you sell more, your earned rewards will accumulate.

2025 Summer Camp

Just imagine – the warm sun on your face, good friends to play with, nature trails to hike, and campfires for roasting s'mores. You can do more than dream of summer camp because registration is open now! Pick out your favorite week before it fills up with other eager campers.

We have lots of camping options to give you the very best outdoor experience. Younger Girl Scouts will get to dip their toes into that first away-from-home experience at our day camps, while older Girl Scouts may choose a week or two at Camp Farnsworth, where they can swim in the saltwater pool, make close friendships with their cabin mates, try archery, climb the giant tower, and even sleep in a hammock.

Each of our camp weeks have special themes, but all guarantee that you will enjoy all the usual camp activities like games, crafts, songs, outdoor fun, and the chance to make new friends.

Girl Scouts who have completed Kindergarten-Grade 8 can sign up for one-week day camp programs at Camp Kettleford in Bedford, NH; Camp Seawood in Portsmouth, NH; and Camp Twin Hills in Richmond, VT. Additionally, all three day camp locations offer two-week programs for Girl Scouts who have completed Grades 6-10. Those who have finished Grades 2-12 have the option of one- or two-week overnight sessions at Camp Farnsworth in Thetford, VT. There's even a special three-night experience at Farnsworth called Frolic for any girl who has finished Grades 1-5 and wants to get a taste of camp without the full-week commitment.
